

9/15

Jean --

The attached ltr fm Cole originally went to OSP for prep of reply; however, in view of JCB memo (attached) was sent to B&M for reply. We fwd a proposed reply to OSP -- I understand fm Shirley, Hall's ofc, that it has now been rewritten and has gone to GM for signature. She said we may keep the incoming ltr, etc. to be filed with our copy of the reply when rec'd.
